

Amendments to the Claims

This listing of claims will replace all prior versions and listings of claims in the application.

Please cancel claims 1-18, 20-29, and 31 without prejudice.

This listing of claims will replace all prior versions and listings of claims in the application.

Claims 1-18 Canceled.

Claim 19. (Currently Amended) A bikini top or brassiere comprising:

two breast cups and wherein each breast cup has:

at least one strip of stretchable material, comprising a loosely located inner strip, which is attached to at one end to an upper part of said cup and attached at a lower end to said breast cup wherein said strip is adjustable in length and is adapted to support at least one breast, wherein said strip is diagonally mounted on said breast cup to extend inside said breast cup extending to extend from said an upper attachment end to a said lower attachment end and configured to pull the breast, in use, upwardly and inwardly towards the cleavage of the breast wherein said strip is diagonally mounted on said breast cup to extend inside said breast cup.

20-29 Canceled.

30. (Currently Amended) A garment, comprising:

two breast cups,
a breast support apparatus coupled to each cup of said two breast cups, and
being ~~displaceable or deformable adjustable~~, in use, relative to an associated breast
cup, and comprising a piece of stretchable material comprising a loosely located, inner
strip which is attached at one end at or adjacent an upper part of the breast cup, in use,
and attached at an opposite end at or adjacent a lower part of the associated breast
cup, in use, the arrangement being such that the piece of stretchable material is
adjustable along its length relative to the associated breast cup as a breast is
introduced into the breast cup, in use, to support the breast underneath and from an
outside edge to partially encircle the breast, pulling the breast, in use, upwardly and
inwardly towards the cleavage of the breasts, the piece of stretchable material, being
mounted on the associated breast cup wherein said strip is diagonally mounted on said
cup to extend inside said breast cup from said upper attachment end to said lower
attachment end.

31. (Canceled)

32. (Currently Amended) The garment as claimed in claim 30 in which said piece of
stretchable material is formed as a sling and is shaped inwardly at its ends to allow the
sling to sit neatly on the breast while holding the breast ~~in a non-slip manner~~ with the
breast supported from said outside edge.

33. (Previously Presented) The garment as claimed in claim 32 in which said sling is
shaped inwardly to have curved ends.

34. (Previously Presented) The garment as claimed in claim 33 in which said curved

ends comprise oppositely curved side edges.

35. (Currently Amended) The garment as claimed in claim 30 in which the piece of stretchable material is diagonally mounted or inclined on the associated, breast cup.

36. (Currently Amended) The garment as claimed in claim 30 in which the piece of stretchable material extends from at or adjacent to an upper, apex of the associated, breast cup and extends downwardly, in use, to a lower location on said cup.

37. (Currently Amended) The garment as claimed in claim 36 in which the lower location is at or adjacent to an apex or corner of the associated breast cup along a bottom edge of the associated breast cup.
